In the fountains of the universe  
(set time in accord)  
Sits the boychild Solomon  
(Ever turning round and round)  
In the cities of the Southern Sky  
(set points universe)  
Dreams he of glory  
(pulsating round and round)  
Future times will stand and clearly see  
(highest dancing)  
Of the course of innocence  
(Drifting drifting)  
See it all  
See it all  
Till tomorrow  
See it all  
See it all  
Till tomorrow  
Future times will stand and clearly smile  
Of the course of innocence  
Dantalion will ride again (raging forth underland)  
The course of evils standing straight (grind to grind)  
Hot metal will abound the land (churning out shout)  
As the form regards our blazing hand  
Future times will stand and clearly see  
Of the course of innocence  
One the word will enter all our hearts  
Two the duel will alter them  
Three jewels countenance divine away delight away  
four the fight to free the land  
Five the islands of Arabia  
Six the tears that separate  
Six the tears that separate
