(Jon Anderson/Steve Howe/Chris Squire/Rick Wakeman/Alan White)

In the fountains of the universe (set time in accord)
Sits the bouychild Solomon (Ever turning round and round)

In the cities of the Southern Sky (set points universe)
Dreams he of glory (pulsating round and round)
Future times will stand and clearly see (highest dancing)

Of the course of innocence (Drifting drifting)

See it all

See it all

Till tomorrow

See it all

See it all

Till tomorrow

Future times will stand and clearly smile

Of the course of innocence

Dantalion will ride again (raging forth underland)

The course of evils standing straight (grind to grind)

Hot metal will abound the land (churning out shout)

As the form regards our blazing hand

Future times will stand and clearly see

Of the course of innocence

One the word will enter all our hearts

Two the duel will alter them

Three jewels countenance divine away delight away

four the fight to free the land

Five the islands of Arabia

Six the tears that separate

Six the tears that separate
