As one with the knowledge
And magic of the source
Attuned to the majesty of music
They marched as one with earth

Sol, Dhoop
Sun
Ilios
Naytheet

Ah Kin
Saule
Tonatiuh
Qurax

Gunes, Grian
Surje
Ir
Samse

So the flowering creativity of life
Wove its web face to face with the shallow
And their gods sought out and conquered
Ah Kin

Do the leaves of green stay greener
Through the autumn?
Does the color of the sun
Turn crimson white?

Does a shadow come
Between us in the winter?
Is the movement
Really light?

And I heard
A million voices singing
Acting to the story
That they had heard about

Does one child know
The secret and can say it?

Or does it all come out
Along without you?

Along without you
Along without you

Where does reason stop
And killing just take over?
Does a lamb cry out
Before we shoot it dead

Are there many more
In comfort understanding?
Is the movement
In the head?

And I heard
A million voices singing
Acting to the story
That they had heard about

Does one child know
The secret and can say it?
Or does it all come out
Along without you?

Along without you
Along without you
