Get the idea cross around the track
Underneath the flank of thoroughbred racing chasers.
Getting the feel as a river flows.
Would you like to go 'n shoot the mountain masses?
And here you stand no taller than the grass sees.
And should you really chase so hard.
The truth of sport plays rings around you.

Going for the one
Going for the one

Get in the way as the tons of water
Racing with you crashing thru the rudder.
Once at the start you can gamble
That you really surely really mean to finish.
After seeing all your sense of fear diminish.

So I think I'll take a look out of the window.
When I think about you
I don't feel low.

N'should I really chase so hard.
The truth of sport plays rings around you.
Going for the one.
Going for the one.
Going for to

Tender timing
Rocking rolling

Moments decide.
Moments delight.
Moments in flight.
Talk about sending love.
