Well I'm gonna get arrested, but that's okay  
Already had my fun  
Gonna get arrested, but that's okay  
Already been a buck  
Gonna get arrested, but that's okay  
I did it all, what can I say?  
Gonna get arrested, but that's okay  
I was gonna drown my love

And if the cops gonna come and break down my down  
I'm not even gonna have to moan  
Gonna stand right up, and come on out  
And show them what these motherfuckers talking  
about

Well I'm gonna get arrested, but that's okay  
Cause I'm so stressed out  
Gonna get arrested, but that's okay  
I have to kick my bitch out of my house  
Gonna get arrested, but that's okay  
At least I get 3 meals a day  
Gonna get arrested, but that's okay  
Cause I got nowhere to stay

And if the cops gonna come and break down my down  
I'm not even gonna have to moan  
Gonna stand right up, and come on out  
And show them what these motherfuckers talking  
about  
Well I'm gonna get arrested,

[Guitar solo]

And if the cops gonna come and break down my down  
I'm not even gonna have to moan  
Gonna stand right up, and come on out  
And show them what these motherfuckers talking  
about  
I said hey I am sorry you doing your job  
But why you gotta make mine so hard  
And if the cops gonna come and break down my down

I'm not even gonna have to moan  
Gonna stand right up, and come on out  
And show them what these motherfuckers screaming  
about.
