Justice to the left of you
Justice to the right
Speak when you are spoken to
Don't pretend you're right
This life's not for living
It's for fighting and for war
No matter what the truth is
Hold on to what is yours
Jigsaw puzzle traitors
Set to spill the beans
Constitution screw up
Shattering the dreams
Blood flows in the desert
Dark citadels burning too
Watch! Look over your shoulder
This one is strictly for you
Hold on - Hold on
Wait maybe the answer's
Looking for you
Hold on - Hold on
Wait! Take you time
Think it through
Yes! I can make it through
Hold on - Hold on
Sunshine shine on through
Hold on - Hold on
Sunshine shine on you
See it through
Talk the simple smile
Such platonic eye
How they drown in incomplete capacity
Strangest of them all
When the feeling calls
How we drown in stylistic audacity
Charge the common ground
Round and round and round
We living in gravity
Shake - We shake so hard

How we laugh so loud
When we reach
We believe in eternity

I believe in eternity
Hold on - Hold on
Wait - Take your time Sunshine shine on through
See it through
Hold on - Hold on
Wait - Maybe a chance Sunshine shine on through
Is looking for you Sunshine shine on you
Hold on - Hold on
Hold on - Hold on
Sunshine - Shine on shine on you
Sunshine - Shine on through
Sunshine - Shine on shine on through
Sunshine - Shine on you
Sunshine - Shine on - Shine on you Hold on - Hold on
Sunshine - Shine on through Wait - Take your time
See it through
Sunshine - Shine on - Shine on through Hold on - Hold
on
Sunshine - Shine on you Wait - Maybe the answer's
looking for you
