I can feel no sense of measure
No illusions as we take
Refuge in young man's pleasure
Breaking down the dreams we make
Real
One down one to go
Another town and one more show
Downtown they're giving away
But she never came back
No phone can take your place
You know what I mean
We have the same intrigue
As a court of kings
Ah leave it
Ah leave it
Two down there you go
McArthur Park in the driving snow
Uptown they're digging it out
Better lay your claim
Get home you're not alone
You just broke out of the danger zone
Be there to show your face
On another dreamy day
Ah leave it
Ah leave it
Goodbye goodbye goodbye bad Ah leave it
Hello hello heaven
Goodbye goodbye goodbye bad Ah leave it

Hello hello heaven
I can feel no sense of measure
No illusions as we take
Refuge in young man's pleasure
Breaking down the dreams we make
Real
Ah leave it
Ah leave it
Goodbye goodbye goodbye bad Ah leave it
Hello hello heaven
Goodbye goodbye goodbye bad Ah leave it
Hello hello heaven
One down one to go Ah leave it

Another town and one more show Goodbye goodbye
goodbye bad
Hello hello heaven
One down one to go Goodbye goodbye goodbye bad
Another town and one more show
Leave it
