I'll be the round about  
The words will make you out n' out  
You spend the day your way  
Call it morning driving through the sound  
And in and out the valley

The music dance and sing  
They make the children really ring  
I spend the day your way  
Call it morning driving through the sound  
And in and out the valley

In and around the lake  
Mountains come out of the sky and they stand there  
One mile over we'll be there and we'll see you  
Ten true summers we'll be there and laughing too  
Twenty four before my love you'll see I'll be there with  
you
