Does it matter if you broke this spell?  
So unreal is the future life along the way  
They dare you to turn around, to turn around  
It all comes through this  
It all comes through this feel

It doesn't ring  
It doesn't ring  
It doesn't ring  
True

It doesn't ring  
It doesn't, doesn't ring  
True

Silent talking in the system  
Ringing to this beautiful world  
Silent talking, always dreaming  
Sing me to this beautiful world

Silent talking in the system  
Ringing to this beautiful world  
Silent talking, always dreaming  
Sing me to this beautiful world

Beautiful world  
Beautiful world  
Beautiful world
