So the blue bird will fly o'er the world and the stars
In the moonlight we pray for forgiveness that's ours
Only now can she rest from the singing of songs
And the freedom of love

Chances are when you give the love you have
You will find it coming right back
Giving into the love
You know it's right
It's a feeling you'll long remember

Hearts will be chosen
Somehow
Someday
Hearts will be chosen

Sailing into the dreams of what could be
Reaching out for some form of contact
Waiting for the one you know is right
All you're needing to do
Surrender

Someday
Hearts will be chosen
Somehow
Someday
Hearts will be chosen

So many times on the clouds of forgiveness
We walk through the country and feel so at ease
A gentle reminder how things really are
In the homelands of love

Face to face with the one you really love
Moving forward down the right track
Chances are when you give all that you have
You will find it flooding right back

Someday
Hearts will be chosen
Somehow
Someday

Hearts will be chosen

O'er the green mountains and o'er the green valleys
The bluebird of faith sails far off to the shore
She sleeps on the breeze of the coming of love
For the homelands of Ireland

So many times on the clouds of forgiveness
We walk through the country and feel so at ease
A gentle reminder how things really are
In the homelands of love

So the blue bird will fly o'er the world and the stars
In the moonlight she prays for forgiveness that's ours
Only now can she rest from the singing of songs
And the freedom of love
