A river a mountain to be crossed  
The sunshine in mountains sometimes lost  
Around the south side so cold that we cried

Were we ever colder on that day?  
A million miles away it seemed from all of eternity

Move forward was my friend's only cry  
In deeper to somewhere we could lie  
And rest forth the day with cold in the way

Were we ever colder on that day?  
A million miles away it seemed from all of eternity

The moments seemed lost in all the noise  
A snow storm, a stimulating voice  
Of warmth of the sky, of warmth when you die

Were we ever warmer on that day?  
A million miles away we seemed from all of eternity

The moments seemed lost in all the noise  
A snow storm, a stimulating voice  
Of warmth of the sky, of warmth when you die

Were we ever warmer on that day?  
A million miles away we seemed from all of eternity

The sunshine in mountains sometimes lost  
The river can disregard the cost  
And melt in the sky, of warmth when you die

Were we ever warmer on that day?  
A million miles away it seemed from all of eternity
