Loneliness is a pow'r that we possess to give or take
away forever.
All I know can be shown by your acceptance of the fact
there shown
before you.
Take what I say in a diff'rent way and it's easy to see
that this is all confusion.
As I see a new day in me, I can also show if you and
you may follow

Speak to me of summer, long winters longer than time
can remember,
Setting up of other roads, to travel on in old
accustomed ways.
I still remember the talks by the water, the proud sons
and
daughters that,
Knew the knowledge of the land, spoke to me in sweet
accustomed
ways
