As one with the knowledge and magic of the source
Attuned to the majesty of music
They marched as one with the Earth

Sol, Dhoop
Sun
Ilios

Naytheet
Ah Kin
Saule

Tonatiuh
Qurax
Gunes, Grian

Surie
Ir
Samse

So the flowering creativity of life
Wove its web face to face with the shallow
And their Gods sought out and conquered
Ah Kin

Do the leaves of green stay greener through the
autumn
Does the color of the sun turn crimson white
Does a shadow come between us in the winter
Is the movement really light

And I heard a million voices singing
Acting to the story that they had heard about
Does one child know the secret and can say it
Or does it all come out along without you
Along without you, along without you

Where does reason stop and killing just take over
Does a lamb cry out before we shoot it dead
Are there many more in comfort understanding
Is the movement in the head

And I heard a million voices singing
Acting to the story that they had heard about
Does one child know the secret and can say it
Or does it all come out along without you
Along without you, along without you
