Looking up into the endless sky  
Staring into the maze of time  
Our existence caught in the blink of an eye  
Imagining other worlds we try  
Realizing somehow we're all part of this  
Wondrous cosmical tapestry  
Beyond the sun  
Beyond the sky  
Are where the real  
Questions lie  
Wanting to know  
Where it begins  
The puzzle piece  
We are missing  
Starlight  
Starlight  
Flowering  
Flowering  
Endlessly through the universal garden  
Garden above  
Looking up into the endless sky  
Staring into the maze of time  
Our existence caught in the blink of an eye  
Imagining other worlds we try  
Realizing somehow we're all part of this  
Wondrous cosmical tapestry  
Beyond the sun  
Beyond the sky

Are where the real  
Questions lie  
Wanting to know  
Where it begins  
The puzzle piece  
We are missing  
Starlight  
Starlight  
Flowering  
Flowering  
Endlessly through the universal garden  
Garden above  
Investigate the science of illusion

We benefit without knowing  
Our time is man-made  
Our fear is man-made  
Delusion man-made  
Religion man-made  
Flowering  
Endlessly through the universal garden  
Garden above  
Beyond the sun  
Beyond the sky  
Are where the real  
Questions lie  
Wanting to know  
Where it begins  
The puzzle piece  
We are missing  
Beyond the sun  
Beyond the sky  
Are where the real  
Questions lie  
Universal garden  
Above
