I believed  
That one day love would cast a line  
I believed  
There was something more for me to find  
Hoping today  
Hoping tomorrow  
Taking it all in stride  
I believed  
I could be chasing my mind  
There you were  
Like a dream to me  
Wonderlove  
Could this really be  
Wonderlove  
Can I make you see  
You're the world to me  
I believe  
If only we could take the time  
Eventually  
We would learn each other's life  
Open the heart  
Give it a moment  
Leaving the cares behind  
Happily  
We could be two of a kind  
There you were  
Like a dream to me  
Wonderlove  
We were meant to be  
Wonderlove  
Can I make you see  
You're the world to me  
It was the very next day that I came alive  
The door flung open there was a vision couldn't believe  
My eyes  
Everyone immortal like as though they didn't get it  
Everyone believing here at last receiving wonderlove  
It's a place  
We all belong  
Wonderlove  
Wonderlove

Can I make you see  
You're my world  
I believe  
I would walk a thousand miles  
Just to see  
The vision of your simple smile  
Everyday  
Wanting to follow  
Forever by your side  
Faithfully  
You are my destiny  
There you were  
Wonderlove  
We were meant to be  
Wonderlove  
It's the world where we belong  
Wonderlove  
Together we  
Will faithfully  
Wonderlove  
Can I make you see  
You're the world to me  
Just imagine what you give is who you are and where  
you're going to  
If you're looking for the wisdom of the world  
All you gotta do  
Let it coming through  
Be forever  
Just imagine  
Wonderlove
