I believed
That one day love would cast a line
I believed
There was something more for me to find
Hoping today
Hoping tomorrow
Taking it all in stride
I believed
I could be chasing my mind
There you were
Like a dream to me
Wonderlove
Could this really be
Wonderlove
Can I make you see
You're the world to me
I believe
If only we could take the time
Eventually
We would learn each other's life
Open the heart
Give it a moment
Leaving the cares behind
Happily
We could be two of a kind
There you were
Like a dream to me
Wonderlove
We were meant to be
Wonderlove
Can I make you see
You're the world to me
It was the very next day that I came alive
The door flung open there was a vision couldn't believe
My eyes
Everyone immortal like as though they didn't get it

Everyone believing here at last receiving wonderlove
It's a place
We all belong
Wonderlove
Wonderlove

Can I make you see
You're my world
I believe
I would walk a thousand miles
Just to see
The vision of your simple smile
Everyday
Wanting to follow
Forever by your side
Faithfully
You are my destiny
There you were
Wonderlove
We were meant to be
Wonderlove
It's the world where we belong
Wonderlove
Together we
Will faithfully
Wonderlove
Can I make you see
You're the world to me
Just imagine what you give is who you are and where
you're going to
If you're looking for the wisdom of the world
All you gotta do
Let it coming through
Be forever
Just imagine
Wonderlove
