Yesterday a morning came, a smile upon your face
Caesars Palace, morning glory, silly human race
On a sailing ship to nowhere, leaving any place
If the summer change to winter, yours is no disgrace

Battleships confide in me and tell me where you are
Shining, flying, purple wolfhound, show me where you
are
Lost in summer, morning winter, travel very far
Lost in musing circumstances, that's just where you are

Yesterday a morning came, a smile upon your face
Caesars Palace, morning glory, silly human, silly
human race
On a sailing ship to nowhere, leaving any place
If the summer change to winter, yours is no

Yours is no disgrace, yours is no disgrace, yours is no
disgrace

Death defying, mutilated armies scatter the earth
Crawling out of dirty holes, their morals, their morals
disappear, yeah

Yesterday a morning came, a smile upon your face
Caesars Palace, morning glory, silly human, silly
human, silly human race
On a sailing ship to nowhere, leaving any place
If the summer change to winter, yours is no
Yours is no disgrace, yours is no disgrace, yours is no
disgrace

Battleships confide in me and tell me where you are
Shining, flying, purple wolfhound, show me where you
are
Lost in summer, morning winter, travel very far
Lost in musing circumstances, that's just where you are
