Love comes to you and you follow  
Lose one on to the heart of the sunrise  
Sharp-distance  
How can the wind with its arms  
All around me

Lost on a wave and then after  
Dream on on to the heart of the sunrise  
Sharp-distance  
How can the wind with so many around me  
Lost in the city

Lost in their eyes as you hurry by  
Counting the broken ties they decide  
Love comes to you and then after  
Dream on on to the heart of the sunrise

Lost on a wave that you're dreaming  
Dram on on to the heart of the sunrise  
Sharp-distance  
How can the wind with its arms  
All around me

Sharp-distance  
How can the wind with so many around me  
I feel lost in the city

Lost in their eyes as you hurry by  
Counting the broken ties they decided

Straight light moving and removing  
Sharpness of the color sun shine  
Straight light searching all the meanings  
Of the song

Long last treatment of the telling that  
Relates to all the words sung  
Dreamer easy in the chair  
That really fits you

Love comes to you and then after  
Dream on on to the heart of the sunrise

Sharp-distance  
How can the sun with its arms  
All around me

Sharp-distance  
How can the wind with so many around me  
I feel lost in the city
