This is young love
And it's our
It's gonna be our love (young love, one love, young)

Kau, aku, dan mereka
Rasakan yang sama
Dunia berputar
Indah dan sempurna

Tak ada yang bisa
Sirnakan semua
Saat ini
Dan selamanya

Oooo...uooooo....
Oooo...uooooo....
Oooo...uooooo....
Oooo...uooooo....

This is young love
And it's our
It's gonna be our love (young love, one love, young)

Get up, stand up, and fight for your love
Get up, stand up, and fight for your love

Kau, aku, dan mereka
Menangis tertawa
Hari ini esok tak akan berbeda

Tak ada yang bisa
Memisahkan kita
Akan bersama
Selama-lamanya

This is young love
And it's our
It's gonna be our love (young love, one love, young)

Get up, stand up, and fight for your love
Get up, stand up, and fight for your love
