Just like I predicted.
we're at the point of no return
we can't go backwards
and no cornes can't been turned
I can't control it if I sink or if I swim
cause I've chose the waters that I'm in

And it makes no difference
who is right or wrong
I deserve much more than this
cause theres only one thing I want

If it's not what you're made of
you're not what I'm looking for
you were willing but anable,
to give me anymore theres no way you're changing
cause some things will just never be mine
you're not in love this time
but it's alright

I hear you talking
but you words don't mean a thing
I doubt you ever put your heart in anything
It's not much to ask for
to get back what I put in
but I chose the waters that I'm in

and it makes no difference who is right or wrong
I deserve much more than this
cause there's only one thing I want

If it's not what you're made of
you're not what I'm looking for
you were willing but anable
to give me anymore theres no way you're changing
cause some things will just never be mine
you're not in love this time
but it's alright

What's your definition of the one?
what d'you really want him to become?

no matter what I sacrifice
it's still never enough
Just like I predicted I will sink before I swim
cause these are the waters that I'm in

If it's not what you're made of
you're not what I'm looking for
you were willing but unable
to give me anymore theres no way you're changing
cause some things will just never be mine
you're not in love this time
you're not in love this time
you're not in love this time
