I never thought that I would find someone who
Could make my heart smile again. The day you
Were, yeah you were only waiting for, someone
To come and spend some days just drifting in the
Mends of love found the flower that caught your
Eye. You said that I was just the boy you been
Dreaming of. I said your already mine.
So that's how it goes? Love arrives with nobody
Knowing. And that's how it stays. Love can last
For thousands of days. But don't let go.
Cause when we speak the wait in life
Begins to decrease. And everything seems easy.
I hear the world in a brand new way when I wake up
Each day. Cause I have you near me. So that's how it
Goes? Love arrives and starts to show. And that's how
It stays. Love will last forever this way. Just don't let go.
Don't let go, don't let go, don't let go. I never thought
that
I would find the one that I love. But now I know
