Don't tell me what to do
And don't you ask me where i'm going to
I have to do what's right for me
Why is that so hard for you to see?
Tryin to get along with you is not an easy thing to do
Your suspicious nature drives me mad
You're wrecking everything that we had
It ain't none of your business
Where i'm going
It ain't none of your business
Who i'm seeing
It ain't none of your business
So stop fooling around with my life
You can't possibly know what it's like to be inside of me
I'm on my own why can't you just leave me alone?
I have always trusted you
If i can do it you can too
What i do is my concern
Now you're just gonna have to learn
It ain't none of your business
Where i'm going
It ain't none of your business
Who i'm seeing
It ain't none of your business
You've got to take me serious
You're making me delerious
I feel like someone who's in jail
Now let go of my shirt tail
This kind of thing has got to stop
Relationship is on the rocks
I can't take it anymore
You're driving me right out of the door
It ain't none of your business
Where i'm going
It ain't none of your business
Who i'm seeing
It ain't none of your business
