

## Missing Heart "The Last Kiss"

I'm thinking of you, my love  
And I can feel the tears  
That rub down  
On my cheeks like rain  
Give me a last kiss

Why did you leave  
My love behind  
Tears in my eyes  
Just take me blind  
I can't believe it's all over  
Forever

Why did you leave  
Without a word  
I realize  
That love can hurt  
We lost a dream that we built up  
Together

Give me a last kiss  
A last night  
A last chance to hold you  
A last kiss  
A last touch  
A last word to hold you  
Give me a last kiss  
A last kiss

I could convince  
Your heart to stay  
And I could take  
Your fears away  
Only your loving can keep me  
From crying

Why did you leave  
Our love behind  
A different one  
Is hard to find  
I'm so alone and I'm feeling  
Like dying
