I wanna duel 'em like they do in Yu-Gi-Oh  
Face down face up trap cards spell cards then time  
roulette go (I love it! )  
All I do is just believe in the heart of the cards  
And then I kick some butt when I use Swordsman of  
Landstar

Oh, oh, oh, oh, ohhhh, ohh-oh-ohh-oh-oh  
Ain't no surprise, check out my Red Eyes  
Oh, oh, oh, oh, ohhhh, ohh-oh-ohh-oh-oh  
Ain't no surprise, check out my Red Eyes

Can't beat my  
Can't beat my  
No they can't beat my Brooklyn Rage  
(I don't wanna be a furry)  
Can't beat my  
Can't beat my  
No they can't beat my Brooklyn Rage  
(I don't wanna be a furry)

Bruh-bruh-bruh-Brooklyn Rage, bruh-bruh-Brooklyn  
Rage  
Nyah nyeh nyeh nyeh  
Bruh-bruh-bruh-Brooklyn Rage, bruh-bruh-Brooklyn  
Rage  
Nyah nyeh nyeh nyeh

My sister's sight is on the line I gotta win  
They'll learn to run soon as they see my creepy chin  
(I'm scary! )  
Russian Roulette is not the same without a gun  
But since we're dubbed by 4Kids we must make do  
without one  
Sucks!

Oh, oh, oh, oh, ohhhh, ohh-oh-ohh-oh-oh  
Ain't no surprise, check out my Red Eyes  
Oh, oh, oh, oh, ohhhh, ohh-oh-ohh-oh-oh

I won't lose to Rex and Weevil  
Cause they're evil  
And I'm groovy with my Yugi  
I'm not baggin' I'm just hangin' with my Baby Dragon  
Met this chick with giant boobies  
Treated us like we were noobies and  
She's such an ass, such an ass  
Check this deck, I ain't second class!
