Get used in the club steal, get naked for a dollar bill,
Mess up in the club when I lead, showing the pussy is
the most deal.

And work the pole like a work sheet, climb to the top
like a more thief,
Slap down peppers need free beer, land on a pitch you
say every city in vain.

Big, big, slap the pussy,
Money don't hold in the pocket, pussy,
Cold palmers getting off the pussy,
'Cause the grownups don't got the pussy,
See us nigger bitches gonna pop the pussy,
Bring it in and follow as you can't look, don't care.
Called hard mayhem, rolling, and the way she roll boy,
stay in.

I got hustlers, she got a two piece on,
Ride for the top, she got a two piece on,
Ride for the top, she got a two piece on,
Real nigger bitches, we only get high.

We are riding with you, I hope to see you get naked,
The people hop it and shake it, we wanna see you get
naked,
Say people hop it and shake it, we wanna see you get
naked,
Say people hop it and shake it, we wanna see you get
naked,
Take your clothes off.

Fat low bar, take your charm,
Shawty got a chrome, sound like a dog,
Groan, groan, groan, crank it,
Big booty bitches in a booty crew crank it.

Take that, honey, make that money,
Break them coming, skip them all coming,
They like the way she rocking with it,
Damn, on my body, get them talking with it.

But who that bitch and what she throwing about me
You ain't turn around 'cause they hit all bad with it.
She moves her ass like a motor in her back.
I like it, I pull a lot of couple in a statch.
You got a nice round ass and is bouncing in the zone,
Get in crank to zero she really is in her own zone,
With no clothes on, that's a sign of preceed,
Go check it out for yourself, don't you listen to me.

I got hustlers, she got a two piece on,
Ride for the top, she got a two piece on,
Ride for the top, she got a two piece on,
Real nigger bitches, we only get high.

We are riding with you, I hope to see you get naked,
The people hop it and shake it, we wanna see you get
naked,
Say people hop it and shake it, we wanna see you get
naked,
Say people hop it and shake it, we wanna see you get
naked,
Take your clothes off.

Now we know what you're about it push the pussy wide
open,
Rub it to the flow and shake your ass in slow motion,
From the right to the left, the left to the right,
Bring it up slow from the left to the right.
Now let your booty roll as you do it before,
Stay and fuck you, you have no control,
As the wheel gonna get her, booty club get her,
You can find hot dancers before the big spinner.

Five team, they on me, yay, yay, let them all lay you,
Gonna get caught, hoes get drunk when them hoes get
drunk and the bitch don't come
Take that shit off, take that shit off
Say take that shit off, take your motherfucker clothes
off.

I got hustlers, she got a two piece on,
Ride for the top, she got a two piece on,
Ride for the top, she got a two piece on,
Real nigger bitches, we only get high.

We are riding with you, I hope to see you get naked,
The people hop it and shake it, we wanna see you get
naked,
Say people hop it and shake it, we wanna see you get
naked,
Say people hop it and shake it, we wanna see you get

naked,
Take your clothes off.
