[Verse 1]

Listen baby, sometimes I know I be playin but set aside  
the bullshit, I'ma grown ass man.  
Whats to understand that I love to fuck, Can I hit it from  
the back or put ya ass in a buck?  
Screamin Shawty what's up(sup), are we fuckin' are  
what(what), We aint got nothin to discuss im simply  
tryin to bust nuts.  
The temperatures risin', We reachin the bed, Ya eyes  
begin to roll in the back of ya head.

[Verse 2]

Bangin' Headboards, The loud noise, The sound of you  
screamin.  
Turn me on cus it sound like you singin'.  
Sayin my name constantly(constantly), Sayin' daddy  
keep fuckin me(fuckin me).  
Get it how you want it long as you keep lovin' me(lovin  
me).  
Put ya thing down,  
Boom the bedroom do it right(uh),  
And it jus might be a long night, Alright,  
Now be Quiet(yea) you dont want them to hear us  
outside,  
let me get on bottom while you ride.

[Chorus]

Bedroom Boom, (Thats whats goin down tonight),  
Bedroom Boom, (Let me do ya body right),  
My bed will be boomin' for you... (boom boom, boom  
boom)  
Bedroom boom, (All between the sheets baby)  
Bedroom boom, (I wanna drive you crazy),  
My bed will be boomin for you(ooohh ohh).

[Verse 3 (Avant)]

It feels like heaven when were off in this room together.  
I Can hear the music playin, then I hear ya voice sayin,  
"Ohh daddy now jus give it to me right there." "Ohh

baby, Take a handfull of my hair."  
Cus you like it rough (rough) cant get enough (nough).  
Cus im the type of nigga thats gon fill you up, like a  
cup.  
And make this love thing overflow,  
I wont stop until ya body's tellin me so.  
Sheets gettin' sticky from the strawberries and  
whipped cream,  
If these walls could talk they would say this is one hell  
of a scene.  
Now you movin ya body jus like a gymnast,  
From the bed to the dresser, All type a' crazy shit.  
Faces tellin me stories, Body's hot and so horny,  
Hittin it from the rear, Wanna wisper somethin in yo  
ear. "I'm gonna love you all night... I promise."

[Chorus 2]

Bedroom boom, (Bedroom boom!!)  
Bedroom boom, (I can hear it baby!)  
My bed will be boomin' for you, (We'll be Fuckin all  
night, yesssss..)  
Bedroom boom, (Hittin yo body!)  
Bedroom boom, (Like boom boom boom!)  
My bed will be boomin' for you, (My bed will be shakin',  
til' the screws come loose, while im off in it)

[Verse 4]

Boom goes the bedroom, Behind closed doors, And  
the bedroom depends on how far things go.  
You move slow, I move fast when you off in that ass,  
But you hittin' that mothafucker like everytime yo last.  
Spread yo legs like a bald eagle, Work that back, Move  
like a snake when you do dat dat.  
Now be quiet, You dont want them to hear us outside.  
Let me get on bottom while you ride.

[Verse 5]

You hotter than an eye on an stove(Yea) Temptation  
got ya outta control, (Mmm Hmmm), You tremblin' like  
you  
out in the cold, You screamin' you cant take it no more.  
Beat the pussy so bad we done fell on the flo.  
(Can you believe it?) Throw our clothes in the kitchen  
and in the garage. All this love is waitin for you  
like im El' DeBarge. See my dick stay hard. (Oh) And its  
gon stay cocked. (Yes) If a bitch fuck wit me she  
gettin her cherry popped.

[Chorus 3]

Bedroom boom, (This is serious business, Baby)  
Bedroom boom, (What goes on in this room, So

amazing..)

My bed will be boomin' for you, (It makes me wanna say  
Boom! boom! Boooooom!)

Bedroom boom, Bedroom boom, (Stay right there,  
down there!)

My bed will be boomin' for you (I can feel it, and it feels
