(Verse 1)

Listen baby, sometimes I know I be playin but set aside
the bullshit, I'ma grown ass man.
Whats to understand that I love to fuck, Can I hit it from
the back or put ya ass in a buck?
Screamin Shawty what's up, are we fuckin' or what, We
aint got nothin to discuss im simply tryin to bust nuts.
The temperatures risin', We reachin the bed, Ya eyes
begin to roll in the back of ya head.

(Verse 2)

Bangin' Headboards, To loud noise, The sound of you
screamin.
Turn me on cus it sound like you singin'.
Sayin my name constantly, Sayin' daddy keep fuckin
me.
Get it how you want it long as you keep lovin' me.
Put ya thing down,
Boom the bedroom do it right,
And it jus might be a long night, Alright,
Now be Quiet you dont want them to hear us outside,
let me get on bottom while you ride.

(Chorus)

Bedroom Boom, (Thats whats goin' down tonight),
Bedroom Boom, (Let me do ya body right),
My bed will be boomin' for you... (boom boom, boom
boom)
Bedroom boom, (All between the sheets baby)
Bedroom boom, (I wanna drive you crazy),
My bed will be(whoa) boomin for you. (Whoaoo
whoaooo)

(Verse 3 {Avant})

It feels like heaven when were off in this room together.
I Can hear the music playin, then I hear ya voice sayin,
"Ohh daddy now jus give it to me right there." "Ohh
baby, Take a handfull of my hair."
Cus you like it rough (rough) cant get enough (nough).
Cus im the type of nigga thats gon fill you up, like a
cup.
And make this love thing overflow,

I wont stop until ya body's tellin me so.
Sheets gettin' sticky from the strawberries and
whipped cream,
If these walls could talk they would say this is one hell
of a scene.
Now you movin ya body jus like a gymnast,

From the bed to the dresser, All type of crazy shit.
Case is tellin me stories, Body's hot and so horny,
Hittin it from the rear, Wanna whisper somethin in yo
ear. "I'm gonna love you all night... I promise."

(Chorus 2)

Bedroom boom, (Bedroom boom!!)
Bedroom boom, (I can hear it baby!)
My bed will be boomin' for you, (We'll be Fuckin all
night, yes..)
Bedroom boom, (Hittin yo body!)
Bedroom boom, (Like boom boom boom!)
My bed will be boomin' for you, (My bed will be shakin'
til' the screws come a'loose, while im off in it, ooohoo)

(Verse 4)

Boom goes the bedroom, Behind closed doors, And
the bedroom depends on how far things go.
You move slow or move fast when you off in that ass,
But you hittin' that mothafucker like everytime yo last.
Spread yo legs like a bald eagle, Work that back, Move
like a snake when you do dat dat.
Now be quiet, You dont want them to hear us outside.
Let me get on bottom while you ride.

(Verse 5)

You hotter than an aisle on the stove, (Yea) Temptation
got ya outta control, (uhuhh), You tremblin' like you out
in the cold(oooh), You screamin' you cant take it no
more. Beat the pussy so bad we done fell on the flo.
(Can you believe it?) Throw our clothes in the kitchen
and in the garage. All this love is waitin for you like im
Eldbarge. See my dick stay hard. (Oh) And its gon stay
cocked. (Yes)cause If a bitch fuck wit me she gettin her
cherry popped.

(Chorus 3)

Bedroom boom, (This is serious business, Baby)
Bedroom boom, (What goes on in this room, So what
baby..)
My bed will be boomin' for you,(makes me want to say,
Boom! boom!)
Bedroom boom,(Boom!) Bedroom boom, (stay right
there, down there)

My bed will be booming for you (I can feel it, and it
feels amazing!)

Boom boom, boom boom

Boom boom, boom boom
