[Verse 1]

The same nigga with the same limp, and if you that

Then I'm the same pimp, you niggas make me so sick

She call us perpatrators, and if them day to day haters

See if we modivators, aint got no love, fuck scrub

She come to move the crew

I'll take niggas oldschool back like some gucci suits

I weigh 'em down like tide, so you can't see the wine

It aint no fear in my eyes, this aint no fall ??

Them niggas holdin my back, see we got hella shit

Now watch my shit get lit - up like a cigarette

I smoke my bud by ounce - at least in downtown

Cant even holla with something, see I done lived it now

These niggas thinkin I owe 'em, when I dont even know  
'em

I keep my mind on paper, so I got hella paper

They want me - a heavyweight, and a inovator

I put a hole in yo neighbor, 'bout big as the equator

BITCH, I'll see ya later

[Verse 2]

I remember when a nigga didnt have these clothes

Remember when a nigga didnt have these golds  
Remember when a nigga didnt have no ends  
But now I'm straight clockin dividends, A-Chick-A Check  
It take long time, but now a nigga livin good  
Ballin with the thugs in my hood - the woods  
If you didnt know TD drop thangs,
