[kaine & D-Rok Talking]

[Chorus]

You got a one way ticket to hell,
Smack dab in the middle of the ATL,
And aww, I dont wanna hustle no more but the streets
wont let me go,
All my niggaz say,
Zone 1 (right here), Zone 2 (right here), Zone 3
Zone 4 (right here), Zone 5 and 6, but thats it.

[Verse 1]

For a nigga with a dream,
Atlanta is the city,
And they make it so seem,
But ride through the city,
And The Streets aint clean,
All I see is drug deals, big wheels and feinds,
But any way they took East Atlanta back,(?)
Throw Atlanta Down,
Turned little Vietnam to a white folks town,
And fo, I forget to say you should have been fixture
streets by MLK,
I aint talkin about the dope,
In talking about the raggedy road,
Niggas clank they rims riding over yo' bottles,
But thats how it goes,
When you stuck fuck outta luck and lost in the ghetto's.

[Kaine and D-Rok Talking]

[Chorus]

You got a one way ticket to hell,
Smack dab in the middle of the ATL,
And aww, I dont wanna hustle no more but the streets
wont let me go,
All my niggaz say,
Zone 1 (right here), Zone 2 (right here), Zone 3
Zone 4 (right here), Zone 5 and 6, but thats it.

I remember the curfues what we used to get(?).

Smack dab in the middle of the ATL,
And aww, I dont wanna hustle no more but the streets
wont let me go,
