She's jingalin, she's too legit  
She seems to know  
Just what to do with it  
She's proud of it, other women gotta really

Cause when she hit that strip her polo booty swallow it  
Go girl, go get it  
Go girl, go kill it  
See, if your girl were my girl  
Your girl don't get to be in the same  
We gonna take a sip of that potion  
Put some things in motion  
We gonna slice the hood, and dice the hood  
And bust the bitch wide open.  
Cause freaks is unanimous out of here  
You niggers ain't invited here  
I get me your girl from the ghetto

Now tingle that shit like it's jello

Real good god damn that bitch is thick

If my dick get hard then more money get with  
So you gotta get dirty, filthy, nasty  
Make that pussy pop out, 3d, glasses  
Make a new movie till the song goes off  
Bitch walk it like a dog, getting cash...  
Ludacris, wanna see you do the shit

I call it Christmas time, cause she's jingle bells  
Happy holidays, dollar pays, pussy sells  
She got a loose booty, I call her truths booty  
She got a bobbling, she's water balloon, juice booty  
Cash out she go, tipping on that toe,  
Wanna see some more, drop it on the floor  
Then that bitch gonna get naked, only if you check it  
...if not you can check free  
The bitches and the girls say they not dancing for no  
money  
So if you think you coming to the clubs...  
Racks on racks on racks is how you get these ... jingling

That girl hella bad,  
I wanna pop hella tag  
The way that bootie propels it needs the helipad  
Or a landing strip, ain't no need to panic trick  
Drop that apple bottom right down on my banana clip!  
I cock it, aim it and shoot it  
So insane how you move it  
Love it how you drop it like it's hot  
Then take a little time off just cool it  
Cause I need some time to breathe  
Go and give it a squeeze  
Cause them lips, hips, thighs and even them double d's  
They be
