Stay high as a motherfucka, stay drunk as a mother'

See me and my brother, stay crunk like no other
Stay high as a motherfucka, stay drunk as a

I'm gonna stand up and protest protest, my nerves is
bad

And say I gave a wedding ring to a plastic bag
Feel it bug the size of many Christmas trees
This must be a jolly green tree for me

Give me that, no sticks or seeds preferred
I need herb the shit that have your sight in a blur
Make you swerve to the curve, 'cause your eyes are
blurry

You see 12 on the right you bust a left in a hurry

We ridin' and drankin' rollin' blunts and smokin'
The car fogged up 'cause there ain't no windows open
The bass beatin' the block down
They know when we rollin around

Leanin' to the side cool and ridin' threw the 'A' town
Holla at the kid fo' gotta score some high dro
We bound hurt cats roll blunts like ball bats
And drankin' is a most do if you drankin' the I got you

I got some orange juice and gray goose so pour you a
cup
Till your head to the back and get fucked up
Pass the weesha baby sittin' now smoke too let me hit it
Puff puff puff pass with your hoggin' ass

Roll another blunt with your selfish ass
And give me ten dollars 'cause I'm low on gas
We gotta hit the motherfuckin' gas station
'Cuz I ain't with pushin' this big ass motherfuckin' car
