[Girl Talking]

Hey You

You know you been talking a lot of shit

Whispering in my ear

Making me feel all hot and bothered and shit

Making a motherfucker horny

You say you can fuck

Prove it

[D-Roc]

Look bitch

You dun talked a whole lot of shit

But wait 'til you see my dick

I ain't really fo' the talking game

You dun came in the room and started handling thangs

First start wit brain

Then i'ma beat the pussy up

Hit it from the back

And beat the pussy up

Girl why you fronting d

Doing all that running

Be yo ass still

Long dick coming

Now ride on the dick like you was dancing in the club

He really love attention

So show him some love

Now come up slow and just ride the head

Now drop down fast

Put it all in the air

Now turn ya ass around let me hit it from behind ya

Put big dick inside ya

I'ma hit it from the back while I'm pulling your hair

You climbing up the wall but I'm pulling your hair

Getting freaky than a motherfucking sweating

I'm all on you, you all on me

Fucking like dogs

Me and shawty off of the wall

And I like the way she play with the balls

Shawty I ain't holding nothing back at all

Ain't scared to put the mouth on the dick

She swallowed it

And she like it when a nigga be pulling her hair

Talking nasty to her ass while I'm pulling her hair

[Chorus (Girl)]

Now that I got you in the bed
I'm gon' pull yo hair
snatch yo ass up by the head

I'm gon' pull yo hair
(Pull my hair, Pull it hard)
(Pull my hair, Pull it tight)
(Pull my hair, Come on baby)
(Pull my hair) *[Moans]*
(Fuck me daddy, Spank me daddy)
(Fuck me daddy, Spank me daddy)
(fuck me daddy, Spank me daddy)
(Fuck me... Shit)

[Girl]

Mmmmmm You like this
You wanna see what I have

[Kaine (Girl)]

Ay bitch
I'm talking to you
(So tell me what you want me to do)
[Clears Throat] Looka Hear
[Moans]
Drop down on all fours like a dog
Now I'm looking at yo ass 'fore I hit it
That pussy from the back
I'ma get it
I'm walking over to you wit the rubber
(Ohhhh)
Yo ass in trouble
(Is it up high enough)
I dun called yo bluff
Fuck you 'til you cry
(Uhhhhmmmm)

"You said I beat that pussy from the back so much that I
hurt yo side
(uhhhh)
Yo ass shoulda been built for the war, fuck it,
and if you don't wanna wear yo tail you need to put it in
ya ass and tuck it"

I whispered just to get ya in the bed
Now I'm finna pull yo hair on ya head
(Pull it)
Shouldn't have fucked wit me
Shoulda

If ya ass coulda ran you woulda
But you put that there aside
That's how my dick got between yo thighs
Now let's all ride
I got a 10 foot pole
That'll go in yo hole
Take yo soul
Make nut come out yo nose
Fall all on yo clothes

[Chorus (Girl)]

[Chorus (Just Guy)]
