Whoa whoa
She on another level like
Whoa whoa
We ready for whatever like

Whoa whoa
She on another level like
Whoa whoa
We ready for whatever like

She fine as a super model
Built like a Coke bottle
Her hips like handle bars
Shorty's stopping all the cars

Yup, put that thang down
Do it, put that thang down
Get to it, put that thang down
She's good, put that thang down

Hey, how ya doin' lil mama? D Roc's my name
Let me introduce you to my brother Kaine
I am the Ying, yah he's the Yang
Let's sneak off and start handling thangs

Let's make it to my room quick
Hey shorty wait till you see my dick
Let the dog just beat up the cat
Whisper in your ear "Shorty, how you like
dat?"

Pretty in the face, thin in the waist
Got a nice ass right below that place
Tip, drill, grab the ass
See how it feel smooth and silky

Fine as wine, shorty hope she gotta walk behind
Get it a walk behind, she like a lawn mower, nigga
She cuttin' 'em down, cuttin' 'em down

She fine as a super model
Built like a Coke bottle

Her hips like handle bars
Shorty's stopping all the cars

Yup, put that thang down
Do it, put that thang down
Get to it, put that thang down
She's good, put that thang down

Ready for the strip club hoes
Dancin' in the club takin' off they clothes
Twenties, fifties, hundred dollar bills
Making her move quick so you all her steal

We love dat shit
The way she drop it to the ground
Make dat booty go round and round
The way she dance, she getting cash
Whisper in her ear "I like dat"

To the hoe, she shout like a stink face
Shout all was the only reason 'cuz you get paid
Yeah, that's how you getting fed
I mean when a nigga break bread

Yeah, I ain't no Jesus
And plus they need us to crank to club
Like we don't give a fuck

She fine as a super model
Built like a Coke bottle
Her hips like handle bars
Shorty's stopping all the cars

Yup, put that thang down
Do it, put that thang down
Get to it, put that thang down
She's good, put that thang down

Whoa whoa
She on another level like
Whoa whoa
We ready for whatever like

Whoa whoa
She on another level like
Whoa whoa
We ready for whatever like

Listen here daddy, I'm a grown ass woman
Why you acting like you scared?
If you want it get up on it

'Cuz if you ready for it just say that your ready for it
Baby, 'cuz I am ready for whatever you ready for

She fine as a super model
Built like a Coke bottle
Her hips like handle bars
Shorty's stopping all the cars

Yup, put that thang down
Do it, put that thang down
Get to it, put that thang down
She's good, put that thang down
