Ying Yang, Collipark, East park

Ooh, shorty off the chain right there
Baby, I don't mean to stare
I want you to know you're the shit fo' sho', girl
You a dime from head to toe

Ooh, ain't tryin' to win no game
Only wanna know your name
Beautiful, let me know, girl
Do you think we can take it slow?

Can I get to know ya? I wanna be ya friend
You call fo' another when you call every now and then
Ain't tryin' to block your ground or even lock you down
But if you feelin' down, I'll be around

I know you hear the street bumpin', they talks about me
I know your girls be flippin' they talks about me
Fuck what you heard, go for what you see
That was me and them, this is you and me

Breakin' the ice, makin' you laugh
Others get mad, tellin' you that I'ma do bad, girl
They don't want you wit me, yeah, we know that
But they try to get me, did you know that?

I'm fo' sho' that, I wanna store that
Ain't tryin' to fast talk you, we can take it slow, yeah
This is Yang, baby, I'm the Yang, baby
Let me bang that thang and make you sang, baby

Ooh, shorty off the chain right there
Baby, I don't mean to stare
I want you to know you're the shit fo' sho', girl
You a dime from head to toe

Ooh, ain't tryin' to win no game
Only wanna know your name
Beautiful, let me know, girl
Do you think we can take it slow?

Hey lil' mama, how you doin', what's yo' name?
Let me holla at ya, get to know you betta
Can we get together and go out sometime?
Hit the movies, get a bite to eat
Have a man sweep you off your feet

Compliment you on your eyes, let it tell you nice things
And whatever you want, he buy you anything
Take a bubble bath, have a couple of laughs in the tub
And doin' everything that make you fall in love

It might seem unheard of but it's true
I don't have a reason to lie to you
I gotcha back, just believe that
You smoke weed, we could smoke us a fat sack

Kick it back and relax, watch the sunset
Doin' everything I know you haven't done yet
I'm just sayin' if you ready, just let me know
'Coz from here, we can make our relationship grow and
take it slow

Ooh, shorty off the chain right there
Baby, I don't mean to stare
I want you to know you're the shit fo' sho', girl
You a dime from head to toe

Ooh, ain't tryin' to win no game
Only wanna know your name
Beautiful, let me know, girl
Do you think we can take it slow?

Damn, shorty fine, yeah, she a dime
Wanna make her mine, player, I ain't lyin'
Wake from half of the night, she occurs down
Drop a bomb and she calm nigga nerves down

6 seconds, 5 more seconds, 4 seconds
3 more seconds, 2 seconds, 1 more second
No more seconds, shorty, come in and check it

We done told you 'bout the wild life
You need a man that'll always beat it down right
Show you things you ain't seen in the bedroom
So we a always make the bedroom boom

We a always have fun when we doin' things, freaky
things
If you wanna get freaky, we can get freaky
If you ready just let me know
'Coz from here, we can make it grow and take it slow

Ooh, shorty off the chain right there
Baby, I don't mean to stare
I want you to know you're the shit fo' sho', girl
You a dime from head to toe

Ooh, ain't tryin' to win no game
Only wanna know your name
Beautiful, let me know, girl
Do you think we can take it slow?

We can take it slow
Take it slow
We can take it slow
Take it slow, oh girl, yeah
