The nerve calmer  
The nerve calmer  
The nerve calmer  
The nerve calmer  
The nerve calmer

*[D Roc (Kaine)]*

I'm kinda antsy in my mothafuckin pants  
The average bro might not understand, bitch I'm a man  
(Man!)  
And I mean it from the heart  
I just hate it when you make your lips part  
All you do is (nag, nag, nag)  
Make a nigga (mad, mad, mad)

Gotta smoke me a (bag, bag, bag)  
To keep from kickin yo' (ass, ass, ass)

*[Hook]*

I need mo' weed  
Just to smoke, so I can calm my nerves  
Say I need, mo' weed  
Just to smoke, so I can calm my nerves  
Yaeeey!

*[Kaine]*

The nerve calmer  
The nerve calmer  
The nerve calmer  
The nerve calmer  
The nerve calmer  
Yup!
