Daddy says come and sit on my knee  
Daddy says youre the only girl for me  
cos amelia, youre daddys favourite girl  
Amelia, daddy loves his little girl

Daddy comes in the dark of night  
Daddy say dont be scared, itll be alright  
Amelia, daddy hates to see you cry  
Amelia, youre the apple of daddys eye

Daddy says dry your tears and give me a smile  
Daddy says if youre good Ill hold you awhile  
cos amelia, youre daddys precious girl  
Amelia, daddy loves to love his little girl

daddy, tell me daddy,  
Is this really love?

Daddy says dont tell mama what I do to you  
Daddy says if you do Ill beat you black and blue  
cos amelia, you make daddy feel like a man  
Amelia, daddy loves you more than mummy can

daddy, tell me, daddy,  
How can you call this love?

Amelia  
Damn your daddy to hell
