In all the world there's just one thing for this little girl  
Ooh I like boys  
Some are my lovers some are my friends I don't try to  
pretend  
Ooh I like boys  
Whatever I do wherever I go if you're the one I'll let you  
know  
I like boys

People like this  
People like that  
But I like boys

It's easy for me  
You better believe  
I like boys

It's a matter of taste  
I'm a state my case  
I like boys

And boys like me too

I like boys  
I like boys

I like boys  
I don't care where they're from or what they've done  
Ooh I like boys  
Lay no shame rich or not as long as they are hot  
Ooh I like boys  
Give me a boy what should I do don't you wish it could  
be you  
I like boys

People like this  
People like that  
But I like boys

It's easy for me  
You'd better believe  
I like boys

It's a matter of taste  
I'm a state my case  
I like boys

And boys like me too

I like boys  
I like boys

Boys
