You've got that look in your eye  
The one that makes me wonder why  
You could be wanting and needing  
But then again these feelings  
Could it be I'm dreaming

It's in the way that you stand when you're near to me  
It's in the tone of your voice when you talk to me  
Or could it be that I'm the one that's wanting you  
And I really want you to want me too

Right now  
I'm only guessing, so let me know  
Right now  
Don't keep me guessing

Imagination maybe, seems like it's running away with  
me  
So make it clear for my sake this is no time for  
mistakes  
Please don't hesitate

At times you seem to let on and then you pull away  
Just give me some kind of chance I know you wanna  
play  
Or could it be that I'm the one that's wanting you  
And I really want you to want me too

Right now I'm only guessing  
And right now, I don't know if you're for real  
So let me know  
Right now - right now  
Don't keep me guessing - don't keep me guessing  
I need to know  
Right now - right now  
Show me the way you feel - show me the way

Right now  
I'm only guessing, so let me know  
Right now  
Don't keep me guessing

Imagination maybe, seems like it's running away with  
me  
So make it clear for my sake this is no time for  
mistakes  
Please don't hesitate

At times you seem to let on and then you pull away  
Just give me some kind of chance I know you wanna  
play  
Dontcha know that I'm the one  
Dontcha know that I'm the one  
Dontcha know that I'm the one  
Dontcha know that I'm the one  
Dontcha know that I'm the one that's wanting you  
And I really want you to want me too

Right now - right now  
I'm only guessing - I'm only guessing  
And right now - right now  
I don't know if you're for real - I don't know if  
So let me know  
Right now - right now  
Don't keep me guessing - don't keep me guessing  
I need to know  
Right now - right now  
Show me the way you feel - show me the way

Right now - right now  
Right now - right now  
Right now
