Well I tried
But I won't give in
That's alright
'Cause I'm going to win
Now I know
I've got to let you go
Now I see
You were never meant for me

Looking for your hot stuff
Baby, I need it
Looking for your hot stuff
Baby, tonight
I want your hot stuff
I got to feel it
Got to have your hot stuff
Got to have your love tonight

Ooh yeah
I want you back
Ooh yeah
I want you back

I remember the love in your eye
When you took my hand and said goodbye
I don't know where the river flows
But now I'm free
I'm not going to go down again

Looking for your hot stuff
Baby, I need it (Come on)
Looking for your hot stuff
Baby, tonight (Baby, baby)
I want your hot stuff
I got to feel it (I got to feel it)
Got to have your hot stuff
Got to have your love tonight

Ooh yeah
I want you back
Ooh yeah
I want you back

Ooh yeah
I want you back
Ooh yeah
I want you back

Hot, hot, hot
Hot, hot, hot
Hot, hot, hot
Hot, hot, hot

Looking for your hot stuff
Baby, I need it
Looking for your hot stuff
Baby, tonight (Baby, tonight)
I want your hot stuff
I got to feel it
Got to have your hot stuff
Got to have your love tonight

Looking for your hot stuff
Baby, I need it (Baby, I need it)
Looking for your hot stuff
Baby, tonight (Baby, tonight)
I want your hot stuff
I got to feel it (I got to feel it)
Got to have your hot stuff
Got to have your love tonight

Ooh yeah
I want you back
Ooh yeah
I want you back
Ooh yeah
I want you back
Ooh yeah
I want you back

Ooh yeah
Tell me that you
Do yeah
Ooh yeah
Tell me that you
Do yeah

Ooh yeah
Tell me that you
Do yeah
Ooh yeah
Tell me that you
Do yeah
