No more will I do all the things that I've done I'll live by
the nature of moon and the sun I've talked to a
stranger whose soul'd gone away He warned me 'bout
danger I'd been in if I stayed Anguish and fear is
roaming my mind She'd an iron tear, I'm trying to find
His soul has wandered trough years of despair Eyes
without expression told to beware For soldiers of
fortune have searched low and high To find they've
forgotten to rest and to die Anguish and fear is
roaming my mind She'd an iron tear, I'm trying to find
No more will I do all the things that I've done I'll live by
the nature of moon and the sun I've talked to a
stranger whose soul'd gone away He warned me 'bout
danger I'd been in if I stayed Anguish and fear is
roaming my mind She'd an iron tear, I'm trying to find
Anguish and fear is roaming my mind She'd an iron
tear, I'm trying to find
