Just an ordinary day, all around it seems OK
With a normal view
Then you open up your eyes, suddenly you
realize Everyone's confused
Caught in the middle of
life and fantasy
Caught in the middle is where you
seem to be
Everyone around is sad, but they analyze
you mad
Sayin' you've lost your mind
Seems their lives
have been abused
With a risk of being used, no
happiness to find
Caught in the middle of life and
fantasy
Caught in the middle is where you seem to be
Seems the whole soiety in the world's insanity
Sayin'
you've lost your mind
Seems their lives have been
abused
With a risk of being used, no happiness to find
Caught in the middle of life and fantasy
Caught in the
middle is where you seem to be
