We hold the secret to a dream  
We keep it wrapped in chains  
Locked inside a mystery

We climb a stairway to the stars  
Through doorways of the heart  
Step inside the magic stars

Gaze into my crystal ball  
See what lies behind the wall  
Can't you feel the wonder of it all?  
My crystal ball

You veil your eyes in fantasy  
Let's pull the curtain back  
Distant worlds, so much to see

Gaze into my crystal ball  
See what lies behind the wall  
Can't you feel the wonder of it all?  
In my crystal ball

I wanna know you  
Come on, let me show you the way  
I really wanna hold you  
Reach out to these hands of fate

I wanna know you  
Come on, let me show you the way  
I really wanna hold you  
Reach out to these hands of fate  
This is a moment we've been waiting for

Gaze into my crystal ball  
See what lies behind the wall  
Can't you feel the wonder of it all?  
In my crystal ball

Gaze into my crystal ball  
See what lies behind the wall  
Can't you feel the wonder of it all?
