Shades of night fall upon my eyes
Lonely world fades away
Misty night, shadows starts to rise
Lonely world fades away

In my dreams your face is all I see
Through the night you share your love with me

Dreamin' visions of you
Feelin' all the love I never knew

Here we are on the crossroads of forever
Silent star lights the way
An' walk with me on the winds of time
Loves' mystery is for us to find

Dreamin' visions of you
Feelin' all the love I never knew

Ohh, oh, go on dreamin'

Until the day, until the day I find you
I won't rest, I won't let go
Somehow, some way, I know I'll be beside you
To warm my heart and fill my soul

Dreamin', only dreamin'
Dreamin', only dreamin'
Dreamin'
