Look at me, see the love that you're missing
Can't you see that I'll always be there? Always be there
You can't run, you can't hide from the feeling tonight
Damage done, I guess love isn't fair

Sometimes I wonder who you are
So close, but we've gone too far

How long can I hold on till you say good-bye baby?
You're gone and it's so wrong and now my heart cries
for you girl
My heart cries for you

Lonely days, fill my nights with such sorrow
Shades of gray, turn into blue tomorrows

Sometimes I wonder where you are, where you are
So close, but your eyes are so far

How long can I hold on till you say good-bye baby?
You're gone and it's so wrong and now my heart cries
for you girl
My heart cries for you, oh

Yeah yeah

How long can I hold on till you say good-bye baby?
You're gone and it's so wrong and now my heart cries
for you
How long can I hold on till you say good-bye baby?

How long, hold on
How long, so long
My heart cries for you
How long, hold on
How long, hold on
