"I am a Viking in going out to war
And I've got death upon my mind
As I was leavin' oh yesterday
I've got no fear in my heart

Chorus

As the shores of my home disappear
I sail over the sea without fear
Dragon ships are charging through the waves
Just want to sail away into the sea yeah yeah

I am a warrior my mind is set to kill
Life or death is on the line
I am a slayer and you will taste my steel
I've got your life right in my hand

Chorus

As the shores of my home disappear
I sail over the sea without fear
Dragon ships are charging through the waves
Just want to sail away into the sea yeah yeah

You are a loser and it's such a shame
That you're a fool and you don't know
That in a viking I'll walk all over you
And by my sword you will die

Chorus

As the shores of my home disappear
I sail over the sea without fear
Dragon ships are charging through the waves
Just want to sail away into the sea yeah yeah
Mmmm
