The cool cruel sleaze, hungry and wild
And crawling through the storm that breaks
Clears away the vicious and violent heat

Breathe deep, breathe long and hard
Kiss and caress the hands that feed
Love me primitive, betraying lips
And the treacherous heart of the savage breed

Hollow eyes only cry hollow tears
And the tingling flesh that melts away
The scars and fears that the shameless years

Leave laughing and dancing
On a wasted and tattered dream, cry hollow tears
That stifle the tortured kiss and scream

Screaming in the darkness, torn and ravaged
Spinning 'round in circles
Animal crazy and the howl of the naked and savage

The cool cruel sleaze, hungry and wild
And crawling, through the storm that breaks
And clears away the vicious and violent heat

Breathe deep, breathe long and hard
Kiss and caress the hands that feed
Love me primitive, betraying lips
And the treacherous heart of the savage breed

Screaming in the darkness, torn and ravaged
Spinning 'round in circles
Animal crazy and the howl of the naked and savage

Tarnish, taint and punish me softly
Kiss the heavens where the angels tread
Love is the corpse that crawls on dreams
Rips them apart and tears them to shreds

Screaming in the darkness, torn and ravaged
Spinning 'round in circles
Animal crazy and the howl of the naked and savage

Savage, savage, savage and savage
