Turn off your mind, relax and float down stream
It is not dying, it is not dying
Turn off your mind, relax and float down stream
It is not time, it is not time
Lay down all thoughts, surrender to the void
It is shining, it is shining
Yet you may see the meaning of within
It is being, it is being
Love is all and love is everyone
It is knowing, it is knowing

And ignorance and hate mourn the dead
It is believing, it is believing
But listen to the colour of your dreams
It is not leaving, it is not leaving
So play the game 'Existence' to the end
Of the beginning, of the beginning
Of the beginning, of the beginning
Of the beginning, of the beginning
Of the beginning, of the beginning
Of the beginning, of the beginning
