Take off your hat, kick off your shoes  
No, you're not going anywhere  
Run around the town, singing your blues  
No, you're not going anywhere

You've always been a good friend of mine and you  
always said farewell  
But the only time that you're satisfied is when your  
feet's in the wishing well

Throw down your gun, you might shoot yourself  
Or is that what you're trying to do  
Put up a fight you believe to be right  
Someday the sun will shine through

You've always got something to hide, something you  
just can't tell  
And the only time that you're satisfied is when your  
feet's in the wishing well

And i know what you're wishing for  
Love in a peaceful world  
Love in a peaceful world  
Love in a peaceful world

You've always been a good friend of mine and you  
always said farewell  
And the only time that you're satisfied is when your  
feet's in the wishing well  
Wishing well  
Wishing well  
Yeah
