Yesterday, today, tomorrow  
Fade away like frozen photographs.  
Remember, forget  
The stakes, the ways you take,  
The ways you make the moments pass.  
For every regret,  
I tell a beautiful lie.  
And I would die if you find out.  
I tell a beautiful lie every time that I  
did not open up my mouth.  
All the same, it?s a game,  
it?s a play, it?s a war,  
it?s a shame that we?re always fighting for.  
I don?t mean to cast no blame,  
I don?t intend to pretend, I could, never loved you  
more.  
But in the blink of an eye, everything you ever knew can  
change  
And it?s a beautiful lie if you think everything will  
always stay the same.

Babe.  
My babe.  
You got a secret ? it?s starting to show.  
My babe.  
Sweet babe.  
How long can you keep it?  
How far would you go?  
You tell a beautiful lie.  
You tell a beautiful lie.  
And it?s going to, it?s going to drive you crazy.

Babe  
My babe.  
It?s starting to show.  
My babe.  
Sweet babe.  
How far would you go, go, go to tell a beautiful lie?  
Yesterday, today, tomorrow  
Fade away like frozen photographs  
Remember, forget

Forever.  
Lie.

Beautiful lie.
