Love's a magic world,  
dreams will never end,  
no reality so just forget about it  
In another place, at a different time  
it's kinda weird so I don't really wanna think about it

When I try to run somebody pulls me bacj  
Cause they don't understand I wanna get away  
No, they don't understand

And the funny thing is  
That I can see myself  
Like a star on the big screen  
I guess I'm somebody else.  
It's like make believe  
In the wrong size dress  
And nobody wants me  
Unless I'm somebody else.

I wanna be wyself and nobody else  
It's no fun being what you're not so just  
forget about it  
In another place, at a different time  
It's kinda weird so I don't really wanna thinj about it

When I try to run somebody pulls me back  
Cause they don't understand I wanna get away  
No, they don't understand.

And the funny thing is  
That I can see myself  
Like a star on the big screen  
I guess I'm somebody else

It's like make believe  
In the wrong size dress  
And nobody wants me  
Unless I'm somebody else

And the funny thing is  
That I can see myself  
The funny thing is that I can see myself..

That I can see myself...
